FEBRUARY

TRAFFIC RULES

Dear Parent,
Greetings of the Day!

As we proceed towards the second month of this new year, I hope we find you all happy and healthy and our students rejuvenated and ready to learn. This February we have decided to incorporate the common transport and traffic rules to ensure that our students grow up to be responsible and aware.

Traffic rules will prove useful not only later in life when driving vehicles but also are imperative now, as a pedestrian to prevent accidents which might involve fault on our part. We want to ensure that our students are a part of a safe and secure tomorrow, which will only be possible by imbibing the lessons here at school. We are looking forward to a fruitful February, which is the perfect integration of academics and co-curricular activities.

Kindly go through the information sheet carefully to keep up with the curriculum for this month.
