Dear Parents

Greetings of the Day !

A brand new month with unlimited wonders has arrived afresh with all of its potential yet untapped. So kids, chin up, smile and celebrate the month dedicated specially to you !

Starting the month with the celebration on November 14, Children's Day. It is celebrated in our country to commemorate the birth anniversary of Pandit Jawaharlal Nehru, the first Prime Minister of India followed by celebration of Guru Nanak Jayanti which is also known as Gurburab, another important festival celebrated in India to commemorate the birth anniversary of the first Sikh Guru, Guru Nanak Dev. November is also known for Thanksgiving whereby family and friends gather for a feast.

We are looking forward to a great month of curricular and co-curricular activities along with music and games designed for the students.
