AUGUST

Dear Parents,

Greetings of the Day!

Raksha Bandhan is celebrated as a festival of peace and harmony. On this day, the sisters tie a thread or a bracelet to their brothers and the brothers, in return, promise to be their sisters' protectors for their entire life. The Rakhi, or the thread, is a pious symbol of being someone's protector.

August is the month of golden day that was engraved in the History of India when the Nation became Independent. India got its Independence from British rule on 15th August 1947. On this day, India achieved the status of the world's largest democracy, breaking free from British colonial rule.

In the month of August we also celebrate World Breast Feeding Week and International Youth Day.

Kindly go through the information sheet of August as it will keep you updated about curriculum activities for the month of August.
