December

Dear Parent,
Greetings of the Day !

As the dawn of a New Year sets upon us, it marks the beginning of a new chapter in our life, one filled with good wishes and love and with this we welcome December. It is the coldest time of the year when snow falls soundlessly in the middle of the night filling everyone's heart with pleasure.

December is well known for Christmas which is celebrated every year on December 25 to mark the birth anniversary of Jesus Christ. It includes decorating Christmas trees, holding feasts, exchanging gifts, church processions, and Santa's visit.

On January 1, New Year is celebrated all over the world with great enthusiasm and cheerfulness. Everyone happily gather with family and friends to embrace it from the night of 31 December. For everyone, this is a very important event in their lives because there is a spark of hope in the soul that the New Year will bring big changes, things will improve, long-held wishes will be fulfilled, etc.

We are looking forward to a great month of curricular and co-curricular activities along with music and games designed for the students.

Kindly go through the information sheet carefully as it will keep you updated with the curriculum for the month of December.

Here comes Santa Claus, here comes Santa Claus, Right down Santa Claus lane. He'll come around when the chimes ring out, that it's Christmas morning again.

Peace on earth will come to all, If we just follow the light, So let's give thanks to the lord above, that Santa Claus comes tonight!
