Dear Parent,

February might be brief, but it brings plenty of opportunities to find inspiration and motivation. February is home for several important national and international celebrations, festivals and events.

Vasant Panchami, popular as Saraswati Puja in honour of the Hindu goddess Saraswati, is a festival that marks the preparation for the arrival of spring. The month of March is celebrated with a lot of enthusiasm. It marks the beginning of spring and is considered to be one of the most important month as we celebrate the festival of colors "HOLI".
