INFORMATION SHEET OF OCTOBER
CLASS: I

Dear Parents,
Greetings of the day!

October is a month that bridges the transition between autumn and winter in many parts of the world. The beauty of fall, where trees don vibrant shades of orange, red, and yellow. The days become shorter, October represents harvest time, with many cultures historically celebrating the fruits of the earth and the gathering of crops. Diwali is one of the most celebrated festivals in India. It is known as the Festival of Lights, symbolizing the victory of light over darkness, good over evil, and knowledge over ignorance. Diwali is a joyous occasion marked by lighting oil lamps or diyas, bursting firecrackers, sharing sweets, and celebrating with family and friends. Gandhi Jayanti is celebrated annually on October 2nd to mark the birth anniversary of Mahatma Gandhi, one of the most revered leaders in India and a global symbol of non-violence and peace.

Kindly go through the information sheet of October as it will keep you updated about curriculum activities for the month of October.
