INFORMATION SHEET OF SEPTEMBER
CLASS: PREPARATORY

SEPTEMBER

Dear Parents,
Greetings of the day!

September, with its crisp air and falling leaves, serves as a gentle reminder to let go of what no longer serves us. It presents an opportunity to embrace change in our own lives.

The 5th of September came to be considered as Teachers' day in memory of Dr. Sarvepalli Radhakrishnan and to honour the contributions he made to the field of education. It is also celebrated to remember all teachers in gratitude for their extreme commitment and efforts in building a civilised society.

International Literacy Day, World First Aid Day, Hindi Diwas, International Day of Democracy and World Ozone Day is also celebrated in this month.

Kindly go through the information sheet of September as it will keep you updated about curriculum activities for the month of September.
