# SEPTEMBER

Dear Parent,  
Greetings of the Day !

As caregivers and teachers, we at D.P.S Hathras, not only encourage our children to learn more actively and independently through different instructional materials but also try to nurture a curiosity that goes beyond the formal curriculum. On September 5 every year, India celebrates Teachers' Day to commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan.

There are a lot of other fascinating and amazing theme based curricular and co- curricular activities along with music and games coming your way.

Kindly go through the information sheet carefully as it will keep you updated with the curriculum for the month of September.
