Dear Parents

Greetings from DPS Hathras!

As we step into the summer holidays, providing a well-deserved break from daily academic routines, the faculty has thoughtfully prepared an engaging set of holiday homework activities. These tasks are meant to ensure that learning continues through fun, hands-on projects that your child will enjoy.

Each activity is carefully designed to be both educational and entertaining, helping your child stay connected with learning in a creative and light-hearted way. Your support during this time will be valuable as your child explores these assignments.

We hope this summer is filled with joyful learning moments and cherished family time.

Wishing you a wonderful vacation together!
