Homework

Dear Parents

Greetings from DPS Hathras!

As the summer vacations are around the corner and it will serve as a long and much needed break from regular classes, we the faculty at DPS Hathras have designed a fun and activity based learning experience for the holidays.

Keep your ward in touch with learning throughout the vacations via allotted fun time activities.

These projects can easily be done by the children and you could assist as and when required. These will indeed provide an enjoyable learning experience.

Wish you and your family a happy time together during the vacation.

With Regards,

Ms. Neena Chaku
