

**DELHI PUBLIC SCHOOL HATHRAS**

**SESSION:2022-23**

**CLASS:VI**

Dear Parents

**Greetings from DPS Hathras!**

As the summer vacations are around the corner and it will serve as a long and much needed break from regular classes, we the faculty at DPS Hathras have designed a fun and activity based learning experience for the holidays.

Keep your ward in touch with learning throughout the vacations via allotted fun time activities.

These projects can easily be done by the children and you could assist as and when required. These will indeed provide an enjoyable learning experience.

Wish you and your family a happy time together during the vacation.

With Regards,

**Ms. Neena Chaku**

**Principal**

## General Instructions:

- It is mandatory to do the activities specially designed in all the subjects.
- The child will be assessed for the neat handwriting and creativity. There is no need of using coloured sheets/ designer sheets, you can work on plain A4 size sheets or register/ notebook available at home.
- All the students are required to revise the syllabus covered so far of all the subjects thoroughly.
- The students should submit the work done to the concerned subject teacher on the reopening day of the school.
