

DELHI PUBLIC SCHOOL HATHRAS

SESSION 2023-24
HOLIDAY HOMEWORK
CLASS : III

Dear Parents

Greetings from DPS Hathras!

With the sun at an all time high, it is time for a long break; summer vacations indeed! While our students settle into a comfortable summer, it is important that they don't miss out on the fun of learning! Thus the faculty at DPS Hathras has designed a fun and activity based learning experience for the holidays.

These projects can easily be done by the children with minor assistance from parents as and when required. We assure you the projects will be a fun learning experience.

We wish you and your family a wonderful summer break!

With warm regards,

Ms. Neena Chaku
Principal
DPS Hathras
